

Employment reference letter

Mr. Andrés Carrasco, born on 4 October 1990, was employed at our company during a Software Development internship from 1 July 2015 to 30 September 2015, and then as a Software Developer from 1 October 2015 to 31 August 2016. Cenarion Information Systems GmbH is a team of experts in enterprise-software and project management, with customer solutions ranging from workflow management systems to cloud-based social business tools.

The main responsibilities of Mr. Carrasco were:

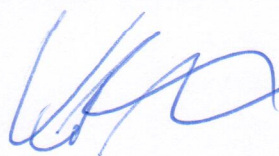

- Agile Software Development of cloud-based Social Business Tools.
- Planning and execution of Code reviews and Deployment processes
- Customer support during integration tests
- 3rd level support
- Training of new employees

The technologies and tools he innovatively worked with were Java utilizing multiple Java Frameworks, MySQL, the Gmail and Contacts API, and the Google Cloud Platform.

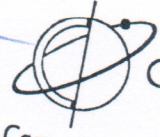

Mr. Carrasco always met our full expectations and worked independently as excellent as together in a team. He was highly valued by superiors, colleagues and clients alike because of his friendly and helpful style.

Mr. Carrasco left our company of his own volition by the end of August 2016. We like to thank Mr. Carrasco for his excellent work at our company and wish him all the best for his future career.
